Choose Your Setup

The AXSYS 2 panel system is a monolithic panel system which is a clone of A02™. Our panels are manufactured with a fabric covered wood core panel, steel hanger frames, painted top cap, and a 5" wire management raceway with adjustable glides. All of our metal parts are powder coated for superior scratch resistance. We offer three fabric programs - Keystone, Summit, and Aspen - with over 35 fabrics available. Enhance your project with Devon's Architectural Elements, including glass stackers and fabric covered stackers.

Add Some Storage

Pedestals and Laterals

DOF uses a high quality pedestal and lateral file. Each features a $\frac{3}{4}$ extension slide on the box drawer and a full extension slide on the file drawer. Height adjustable leveling glides and adjustable file hangers are included to fit your filing needs. They are styled with a classic "G Pull" design and finished with a high quality powder coating.

Overhead Storage

Painted shelf ends include a half radius edge. The painted metal shelf is ready to accept a task light. Our flipper door kit consists of a painted top cover, painted steel door front, lock and flipper hardware.

Pick A Work Surface Finish

Our worksurfaces are fabricated from a 1" thick particle board and are laminated on both sides in a thermally fused melamine finish. Worksurface edges are finished on all sides with a color matched 2mm PVC edge banding. It is very durable and adds to the longevity of the surface. Choose from straight edge corners and radius corners, as well as extended corners and d-top peninsulas.

Power Up

Our electrical system is tested to insure the highest quality and reliability. It is UL listed and is approved for use in New York City. Our 8 wire, 4 circuit electric is easy to install and adapt to your needs. These features make our system very cost effective for installation purposes.

Casegoods

DOF offers a full line of contemporary office furniture. It includes multiple desk sizes and configurations, ranging in size from a small student desk to an executive u-shaped unit. Accessory pieces such as lateral files, bookcases and hutches are also available. Our pedestals are available in both $\frac{3}{4}$ height and full height and feature full ball bearing suspension on both box and file drawers. Pedestals have Dura-edge detailing on all exposed edges. Contact your dealer for a brochure and pricing.

Quick Ship Program

Our Quick Ship program is designed for projects with aggressive deadlines. Customers can choose from two fabric selections for their Quick Ship projects. Additional fabrics are available in our standard shipping program. Contact your dealer for options and pricing.
